

Bailey Bulldog Band Booster Club

The parents of the Bailey Middle School Band members have organized the Bulldog Band Booster Club. The success of the Boosters is due, in part, to the active participation of both the parent and the student. Some objectives of the Band Boosters are:

- To assist in fundraising to help finance certain extras not regularly provided for in the school budget (instruments, music, bus trips etc.).
- To aid in chaperoning band trips and activities.
- To augment or encourage educational experiences sanctioned by the School.

Membership in the Bailey Middle School Band Boosters is free. We currently meet on monthly basis in room 204. Dates and times will be announced. We encourage you to attend and participate in the band experience.

The Bailey Bulldog Band newsletter comes out monthly via email. The newsletter will help all in the band community keep apprised of important dates, event and other vital information. All parents/guardians are considered members. You can also see the newsletter and other info on our website www.baileybulldogband.org . *The teachers will make hard copies available to the band members by request.*

Let us know if you'd like to help with one of the 2010-2011 Band functions. When the time comes for that event you will be contacted. Along with our band teachers, Mr. Shaut and Mr. Treat, we want to welcome you to the Bailey Band Booster Club. Thank you for your support.
